

# Kerry Park Recreation Centre

## Ball Hockey

### Guidelines During COVID-19

In order to provide the highest level of care and safety, CVRD will follow guidelines set out by WorkSafe BC, Public Health, and BCRPA. We ask that you strictly adhere to the guidelines and directions provided to you.

**Prior to attending** your program, you must follow through with the following steps:

- Assess your personal risk to ensure that attending a public recreation program is in your best interest. You may seek to ask your health care provider what is right for you.
- Review the provided guidelines for your program or activity (below).
- Register for your program and submit the COVID-19 Assumption of Risk and Permission Form online or over the phone.
- Prior to the start of each session screen yourself to ensure that your attendance to the facility is appropriate.

**Screening Questions:** Is/has the participant or anyone in your family:

1. Showing signs or symptoms of respiratory infection, such as cough, shortness of breath, or sore throat?
2. Experiencing a fever with a temperature of 38C or higher, or taken any fever reducing medications in the last 12 hours?
3. Experiencing any flu-like symptoms including diarrhea in the last 24 hours?
4. Travelled outside of Canada in the last 14 days?
5. Been in contact with anyone who has displayed symptoms of COVID-19 in the last 14 days?

Entry will be denied if any member of the household is experiencing any of the above. Please discuss any concerns with programs staff or your instructor.

**Location: Kerry Park Recreation Centre – Arena**

#### Arrival/Departure

- Please arrive no earlier than 10 minutes prior to your session.
- Please enter through main entrance to the arena.
- Masks are required for parents/guardians and children 12 and over.
- Masks are not required while engaged in ball hockey activities (in the field of play)
- Only one parent/guardian to accompany participant to session.
- Indoor spectators are not permitted until the BC Restart Plan reached Step 3 (anticipated July 1). Parents and guardians will be asked to leave once child has been delivered to program. Once indoor spectating has been reinstated, specific requirements and limits will be provided.
- KPRC Staff to perform a verbal health screening and take attendance. Participants that do not pass the screening will be asked to leave facility.
- All participants must sanitize hands when entering the facility.
- Please bring your own water bottle as water fountains are not in use.

- Parents to return to the facility 5 minutes before the end of the session to collect their child. Players will be available for pick up at the perimeter of the arena. Please maintain physical distance while waiting for your child.
- All players and coaches to sanitize hands and leave facility right after their session.

### **During Program**

- Participants can store any belongings along rink boards, with appropriate physical distancing.
- This program will follow current province guidelines regarding youth sports. Currently, physical distancing while on the field of play is not required. All sports are non-contact. Scrimmages are permitted.
- Masks are not required for players while engaged in sport.
- Shared equipment will be minimized and all equipment will be sanitized after each session.
- Please respect posted program and facility capacities and follow facility signage.
- Practice appropriate respiratory and hand washing hygiene.
