- (c) the alteration does not reduce the site area required for a sewage disposal system or reserve area for a sewage disposal system on any parcel being consolidated.

14.4 Notwithstanding the requirement of Section 14.1:

- (a) where a portion of a parcel is physically separated from the remainder of the parcel by a public road or another parcel, which separation was in existence as of the date of adoption of this Bylaw, the physically separated portion may be subdivided from the remainder of the parcel provided that:
 - i) the public road or other parcel is used as the subdivision boundary;
 - ii) if the parcel lies in the Agricultural Land Reserve, the approval of the Agricultural Land Commission has firstly been obtained; and
 - iii) no parcel created pursuant to this Section shall be less than one hectare in area where there is no community water service connection, and 2000 m² in area where community water service connections are made to each parcel.
- (b) where a parcel a parcel is cut in two by a jurisdictional boundary line between a municipality and the electoral area, the parcel may be subdivided along the jurisdictional boundary line provided that:
 - i) the jurisdictional boundary line is used as the subdivision boundary;

- ii) if the parcel lies in the Agricultural Land Reserve, the approval of the Agricultural Land Commission has firstly been obtained; and
- iii) no parcel created pursuant to this Section shall be less than one hectare in area where there is no community water service connection, and 2000 m² in area where community water service connections are made to each parcel.

- 14.5 Notwithstanding the minimum parcel size requirements of Section 14.1, parcels upon which there are located two or more legally-constructed dwelling units in existence as of September 10, 1986 are deemed to be in conformity with the provisions of this Bylaw and may be reconstructed, maintained, and altered in accordance with the provisions of the zone within which they are located and the general provisions in Part Five of this Bylaw. The conversion to strata of such buildings may be approved, subject to all lands remaining common property of the strata corporation.
- 14.6 No subdivision shall be created which creates new severed parcels unless a covenant is registered in the name of the Cowichan Valley Regional District prohibiting the further subdivision of the newly created severed parcel prior to subdivision approval.
- 14.7 The minimum frontage of a parcel shall be ten (10) percent of the perimeter of that parcel.
- 14.8 Notwithstanding the provisions of Section 14.7 the minimum frontage may be reduced for lots on a road curve with a radius of 80 metres or less subject to the required frontage being attained at the required front yard setback as stated for the zone in which the parcel is situated.
- 14.9 Panhandle Lots: When panhandles are created as an integral part of a parcel the frontage requirement as specified in Section 14.7 shall not be calculated for the panhandle portion fronting on the highway but for the width of the lot area fronting on the extension of the panhandle as shown in Figure B.

Figure B

- 14.10 Where a parcel is a panhandle lot the access strip (or panhandle) shall not be calculated as part of the parcel area for purposes of determining minimum parcel size.
- 14.11 (a) where a parcel is a panhandle lot capable of further subdivision the panhandle shall be of adequate width to provide a future road in the event the parcel undergoes further subdivision.
- (b) the further subdivision of a panhandle lot shall be conditional upon the dedication of the panhandle as a public road (highway).
- 14.12 The minimum parcel size provisions as specified in section 14.1 shall not apply:
- b) where the parcel being created is to be used solely for the unattended equipment necessary for the operation of:
- i) a bus shelter railway station public transit station excluding airports;
 - ii) a community water system;
 - iii) a community sewer system;
 - iv) a community gas distribution system;
 - v) a community radio or television receiving antenna;
 - vi) a radio or television broadcasting antenna;
 - vii) a telecommunication relay station;
 - viii) an automatic telephone exchange;

- ix) an air or marine navigational aid;
- x) other public utilities not specifically listed but considered to be similar in nature to those uses listed in i) through ix) above;
- b) to parks; and
- c) where the owner agrees in writing to registering a condition or covenant pursuant to Section 215 of the Land Title Act in favour of the Regional District at the time the subdivision is registered and shall restrict or prohibit the construction of buildings or structures on and/or the use of any parcel.

14.13 Density Averaging Formula

This section and Section 14.14 ONLY apply to the following lands:
Section 6, Range 2, Shawnigan District, Except Part in Plan VIP77354.

The minimum parcel size provisions of this bylaw as specified in Section 14.1 may be varied with respect to parcels created by means of density averaging, provided that:

- (a) the total area of the land to be subdivided (exclusive of those lands intended for highway) divided by the number of parcels to be created is not less than the equivalent minimum parcel size permitted under this bylaw;
- (b) the parcel configurations and sizes are adequate to accommodate buildings and structures appropriate to the intended use to be constructed on each parcel in compliance with this bylaw;
- (c) no more than 50 percent of the parcels created by means of this Section are less than the minimum parcel size as specified in Section 14.1;
- (d) the smallest parcel so created is not less than 40 percent of the minimum parcel size as specified in Section 14.1.

- 14.14 Where a subdivision is created by means of density averaging it shall be necessary for a restrictive covenant to be registered in the name of the Regional District against the title of the land at the time of registration of the subdivision prohibiting the further subdivision of any lot created from the original parcel where the aggregate average of all lot sizes does not permit further subdivision of the original parcel.

- 15.1 Cowichan Valley Regional District Zoning Bylaws No. 162 1975 and all amendments thereto are hereby repealed.
- 15.2 Section 8.0 through 8.2 and Section 8.6 through 8.11 of the Subdivision Bylaw of the Cowichan Valley Regional District no. 160 1974 as amended are hereby repealed.

READ A FIRST TIME this 14th day of May 1986.

READ A SECOND TIME this 14th day of May 1986

READ A THIRD TIME this 25th day of June 1986.
