Fire Protection Methodology

Schedule E contains maps identifying fire service providers and fire halls in the CVRD electoral areas. There are 15 Volunteer Fire Departments and 18 fire stations.

Data sources for Schedule E include CVRD bylaws and ministerial orders for improvement districts. The fire protection service areas are subject to change through a petition process where land owners are given the opportunity to opt-in or opt-out.

Map Interpretation

Mapping schedules contain the following reference features: CVRD electoral area boundaries, parcel boundaries, Indian Reserves, and roads including primary highways (freeways and highways) and secondary roads (arterial, collector, and select local roads) as identified in the provincial Digital Road Atlas.
