First Nations Reserves Methodology

Schedule F contains maps identifying Indian Reserves (as defined by the *Indian Act*). The Surveyor General Branch of Natural Resources Canada surveys and administers Indian Reserve administrative boundaries and provides this data to stakeholders such as the CVRD.

This data was obtained through the "Canada Lands surveys: Tools and data" website.

Map Interpretation

Mapping schedules contain the following reference features: CVRD electoral area boundaries, parcel boundaries, and roads including primary highways (freeways and highways) and secondary roads (arterial, collector, and select local roads) as identified in the provincial Digital Road Atlas.
