Service Area Maps Methodology

Schedule S contains maps identifying existing CVRD water and sewer service areas. Systems owned and operated privately or within an improvement district are also identified in the mapping. In the event of discrepancy between Schedule S and bylaws establishing service boundaries, the service area bylaws govern the matter.

Map Interpretation

Mapping schedules contain the following reference features: CVRD electoral area boundaries, parcel boundaries, Indian Reserves, and roads including primary highways (freeways and highways) and secondary roads (arterial, collector, and select local roads) as identified in the provincial Digital Road Atlas.

Introduction

The map naming conventions indicate the Schedule letter, electoral area, and map number as follows.

Map Identification Key			
Map Name	Schedule	Electoral Area (if applicable)	Map number
Map S1	S	Index	1
Map S1.1	S	A/B	1.1

CVRD Bylaw No. 4373
