

Shawnigan Lake Community Centre

Preschool and Parent & Tot Gymnastics

Guidelines during COVID-19

In order to provide the highest level of care and safety, CVRD will follow guidelines set out by WorkSafe BC, Public Health, and BCRPA. We ask that you strictly adhere to the guidelines and directions provided to you.

Prior to attending your session you must follow through with the following steps.

- ☐ Assess your personal risk to ensure that attending a public recreation program is in your best interest. You may seek to ask your health care provider what is right for you.
- ☐ Review the provided guidelines for your program or activity (below).
- ☐ Register for your program and submit the COVID-19 Assumption of Risk and Permission Form.
- ☐ Prior to the start of each session screen yourself to ensure that your attendance to the facility is appropriate.

Screening Questions: Is/has the participant or anyone in your family:

1. Showing signs or symptoms of respiratory infection, such as cough, shortness of breath, or sore throat?
2. Experiencing a fever with a temperature of 38C or higher, or taken any fever reducing medications in the last 12 hours?
3. Experiencing any flu-like symptoms including diarrhea in the last 24 hours?
4. Travelled outside of Canada in the last 14 days?
5. Been in contact with anyone who has displayed symptoms of COVID-19 in the last 14 days?

Entry will be denied, if any member of the household is experiencing any of the above, please discuss any concerns with programs staff or your instructor.

Shawnigan Lake Community Centre Arrival/Departure

- **Masks are mandatory in all common areas within our facilities, including when you are entering and exiting the facility and using the washroom.**
- **Masks required for ages 12 and up**
- Masks **recommended** for ages 2 – 11
- Masks **not recommended** below the age of 2
- Enter through the main front doors, sanitize or wash your hands and proceed directly to the Gym.
- Following your class, sanitize or proceed to the washroom and wash your hands, exit the building via the loading zone doors beside the Multipurpose Room or the rear gym door exiting into the parking lot.
- While signing in participants, instructor will confirm verbal screening questions.

Program Guidelines

All classes will be following Gymnastics BC Guidelines

- Instructors are required to wear masks during class.
- Participants are not required to wear masks during physical activity, masks may be removed once activity begins.
- Parents are to remain with their children during the Parent and Tot class, and during the Preschool class parents are to remain in the gym but not activity participate unless requested to do so by the instructor.
- Parents must wear a mask and maintain 3 meters of physical distance from all other participants other than their own children.
- No physical spotting will be done by the instructor, parents will be responsible for spotting their own child.
- No one is permitted to participate unless the COVID-19 Assumption of Risk & Permission form and the Gymnastics Waiver has been completed and returned.
- Please bring minimal personal belongings with you, all personal belongings will be placed along the wall on a chair, spaced 10ft apart.
- Everyone must maintain a distance of 3 meters apart at all times.
- There will be no sharing of personal belongings, or water bottles.
- There will be frequent hand washing or hand sanitization between every transition in the class.
- There will be bins to place used equipment in for sanitization after the class.
- Each participant will have their own mat to use during the class.
- No food is to be brought into the gym.
- Bring your own water bottle as water fountains are not allowed to be used.
- Arrive only a few minutes prior to your session.

- Follow all posted directional and instructional signage.
- It is expected that instructors and participants will only access parts of the building required for their permitted activities and will do so via the access points described (unless obstructed).
- Respect posted program and facility capacities.
- Maintain physical distance between yourself and others.
- Minimize the items and surfaces that you must touch.
- Practice appropriate respiratory and hand washing hygiene.
